

Expanding a Virtual Coaching Program for Afterschools & Libraries

WE'RE SCALING UP...

We will expand an award-winning coaching model:

- Informal educators come together in small groups to share videos of their own interactions with youth
- A coach helps them share feedback based on their use of key skills (e.g. how to ask youth purposeful questions)

...AND YOU CAN HELP!

Help us recruit partners and participants:

- state and city-level youth-focused organizations
- educators wanting to build capacity in STEM
