

Appendix A

Posted Sign at Site of General Evaluation Activities

The sign will be used in general evaluation activities on OMSI's floor, including observing, surveying, interviewing, and photographing visitors and interpretive staff. When no photography is taking place, the graphic image will be an eye (to represent observing); only when photographing is taking place will the graphic image be a camera.

The sign measures between approximately fourteen inches wide by twenty-two inches long and twenty-two inches wide by twenty-seven inches long. It contains text in both English and Spanish, which states that the area is under study, how the information will be used, and that they have the right not to participate. An image of the sign is shown below:

Try It!	¡Inténtalo!
<i>RESEARCH IN PROGRESS</i>	<i>INVESTIGACIÓN EN PROGRESO</i>
WHY: OMSI is testing some new exhibits with visitors to learn how to make them better.	POR QUÉ: OMSI está diseñando nuevas exhibiciones y queremos que los visitantes nos ayuden a mejorarlas.
HOW: Observing, photographing	CÓMO: Observación, fotografías
WHEN: Today until _____.	CÚANDO: Hoy hasta las _____.
WHERE: By entering this area, you agree to be observed or photographed as part of this research.	DÓNDE: Al entrar en esta área, Ud. da consentimiento para participar en esta investigación y ser observado o fotografiado.
You have the right not to be observed, interviewed, or photographed. Please tell an OMSI staff person if you do not want to participate in these activities at any time before, during, or after your participation.	Ud. tiene el derecho a no ser observado, entrevistado, o fotografiado. Si Ud. no quiere participar en estas actividades, avise a un empleado de OMSI antes de, durante, o después de su participación.

Appendix B

Posted Sign at Entrance to Museum to Alert Visitors That Filming is Taking Place That Day

The sign will be used at the entrance to the museum when *Videotaping with Audio* studies are taking place on the museum floor.

The sign measures between approximately fourteen inches wide by twenty-two inches long and twenty-two inches wide by twenty-seven inches long. It contains text in both English and Spanish, which states that the area is under study, how the information will be used, and that they have the right not to participate. An image of the sign is shown below:

Video Taping TODAY! **¡Videograbación HOY!**

<p><i>RESEARCH IN PROGRESS</i></p> <p>WHY: OMSI is testing some new exhibits with visitors to learn how to make them better.</p> <p>HOW: Videotaping</p> <p>WHEN: Today until _____.</p> <p>WHERE: Filming is taking place in various parts of the museum. If you do not want to be recorded, please do not enter these areas of the museum. The front desk can inform you where filming is taking place.</p> <p>You have the right not to be observed, interviewed, videotaped, or photographed. Please tell an OMSI staff person if you do not want to participate in these activities at any time before, during, or after your participation.</p>	<p><i>INVESTIGACIÓN EN PROGRESO</i></p> <p>POR QUÉ: OMSI está diseñando nuevas exhibiciones y queremos que los visitantes nos ayuden a mejorarlas.</p> <p>CÓMO: Videograbación</p> <p>CÚANDO: Hoy hasta las _____.</p> <p>DÓNDE: Estamos grabando en varias partes del museo. Si no quiere ser grabado, por favor, no entre en estas áreas. Puede preguntar sobre los lugares de la grabación en la recepción.</p> <p>Ud. tiene el derecho a no ser observado, entrevistado, grabado por video, o fotografiado. Si Ud. no quiere participar en estas actividades, avise a un empleado de OMSI antes de, durante, o después de su participación.</p>
